

## Supa-Three Swings

On this swing 3 users swing towards each other which adds a different dimension to the basic swing. Large flat rubber seats.

### Safety, Quality, Durability and Usability:

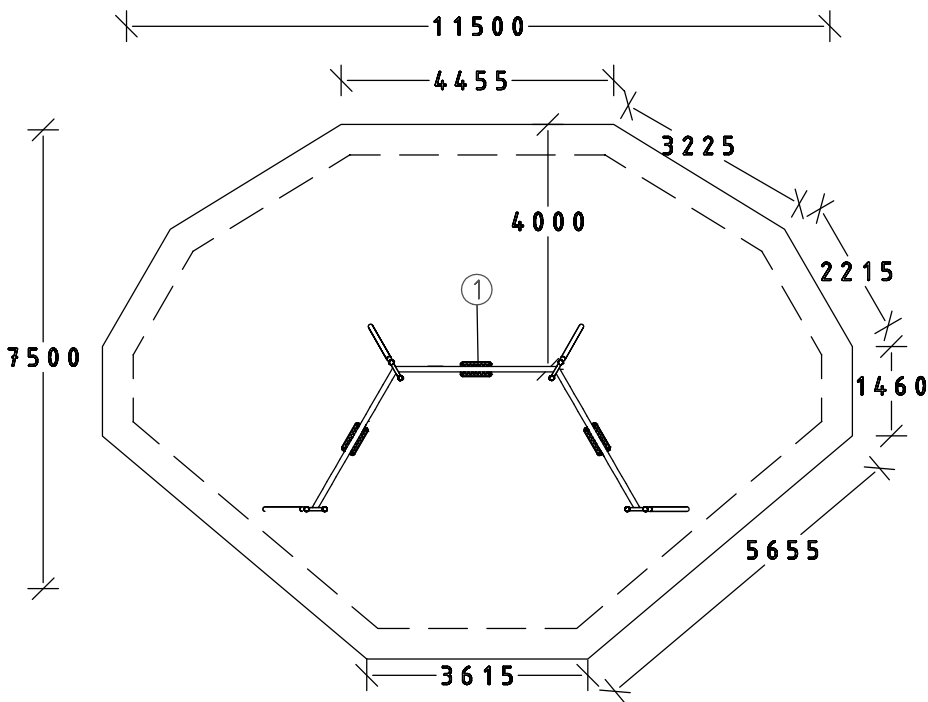

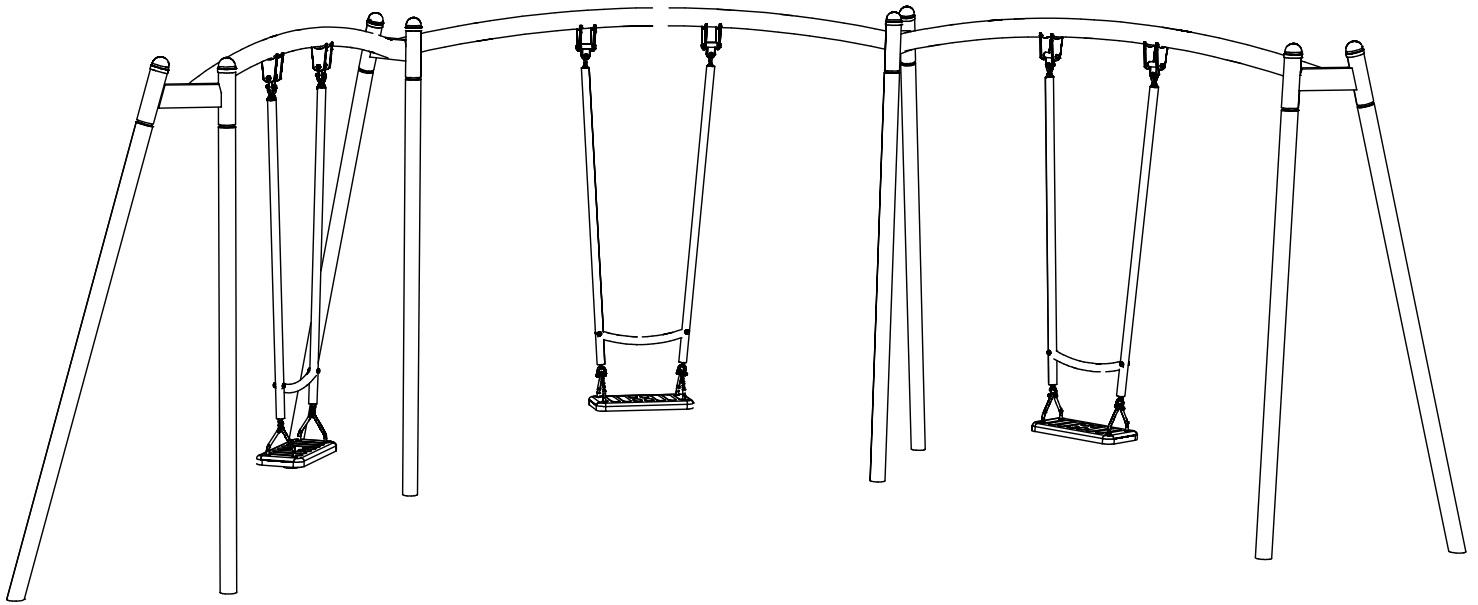

- Certified to NZS5828:2004
- Conditional 25 Year Warranty
- Triple Coat Protective Powdercoating
- Force 10 Swing Hangers
- Self-Supporting Frame
- Minimal Maintenance
- Vandal Resistant
- Heavy Duty

### Age groups appropriate for:

### Development Benefits

- BAL** Balance
- CO-ORD** Co-ordination
- GMS** Gross motor skills
- SD** Social Development

| Min. Safety Surface required                  | Minimum            |
|---|--------------------|
| Area  | 81m <sup>2</sup>   |
| Surrounds 300 x 50                            | 33m                |
| Bark/Cushionfall                              | 24.5m <sup>3</sup> |
| Pegs  | 34                 |
| Max height of structure from safety surfacing | 2.6m               |
