

## Fallzones

A diagram of a crane structure. A vertical dimension line on the left indicates a height of 3553 from the ground to the top of the crane's main body. Another vertical dimension line below it indicates a height of 1200 from the ground to a horizontal line. This horizontal line is labeled with a red arrow and the text "Top of Safety Surface".

| Technical Information |                                               |
|-----------------------|-----------------------------------------------|
| Main Dimension        | 6550 x 4120                                   |
| Total Area            | 25m2                                          |
| Max FHOFF             | 1200                                          |
| Heaviest Part         |                                               |
| Compliant to          | NZS 5828:2015<br>AS 4685:2017<br>EN 1176:2008 |
