

The mandatory safety zone is fully compliant to the safety standards. We recommend a bigger safety area is used to cater for the high volume of users that typically have fun on these products!

Technical Information	
Space Required	Ø11000mm
Total Area	95m2
Max FHO	2800mm
Compliant	NZS 5828:2015 AS 4685:2017 EN 1176:2008

Approved: GN
